

# Jayson Mamaclay (he/him)

## *Transformational Accounting for Small Business :: Diversity, Equity & Inclusion*

A first-generation LGBTQ+ Filipino-American, New York University Business School Alum, former Certified Public Accountant with PricewaterhouseCoopers, and fellow small business owner with his company, **Think Quick Events** escape rooms, Jayson brings a breadth of knowledge that helps him connect with leaders at all levels with topics founded in **relatable, direct experiences that resonate with audiences.**

Jayson is a Vice President of Norman Professional Services, a team of transformational accountants who help small business owners finally break through to having 2-comma businesses that profitably and **positively contribute to the lifestyle truly befitting of a successful leader.**

### **Keynote Topics:**

- **Growth Architect:** The 5 E's to Build the Business of your Dreams
- **Stop Being Allergic to Accounting:** Essential Financial Basics for Entrepreneurs
- **Collaborative Communication:** Using Games to Unlock Title-Transcending Teaming
- **Overcoming Obstacles:** Diverse Communities are Think-Outside-the-Box Experts

*Jayson is a speaker that commands an audience's attention with his energy, humor and knowledge. He's engaging and informative - a winning combination!*

*~Elin Barton, Founder and CEO, Riveo Creative*

### **Jayson's Favorite Audiences:**

- Small Business Owner communities, including masterminds, incubators, and more
- Diversity, Equity & Inclusion communities, such as BRGs/ERGs, chambers, and events

Outside the professional circuit, Jayson is a former nationally ranked competitive ballroom dancer. Staying close to the dance scene, over the past 15 years, Jayson has entertained audiences on stages as an event emcee (and as a performer) for all-styles dance exhibitions and competitions across the US showcasing international talent in front of live audience sizes in the thousands of people.
