Walter Miller (he/him) is founder and president of Norman Professional Services, an outsourced CFO and accounting firm for small- to medium-sized businesses.

Entrepreneurs love Walter's gift for translating the boring, complex, and *scary* topic of small business finances into plain English that create "Aha!" moments.

Walter has worked with countless companies and business owners.

- He's helped them improve cash flow and profits.
- He's developed growth plans, pricing models, and compensation strategies.
- He's taught them how to understand and improve the cash engine of their business.
- He's taken the stress and mess out of accounting.
- His clients make more money often while working fewer hours.
- An entrepreneur himself, Walter has experienced many of the challenges his clients encounter.

**Two decades
in public accounting.**

**Two decades
running his own firm.**

**In many respects, as a
small business owner,
Walter is just like you.**
